

# LOUISE DALTON

Creative problem solver with experience in art direction, education and print design. My clients include a number of major corporations, nonprofits and local businesses.

## EDUCATION

### Fine Arts at Brook University

Majored in visual arts. Studied world art history.  
Learned Interactive multimedia (HTML, Photoshop)

### Interactive Multimedia at Benson College

Learned to design and develop websites. Special focus on animation, digital video and 3D.

## WORK EXPERIENCE

### Designer at Cortex

Involved in all design projects, from initial design meeting to getting approved for final designs. Projects ranged from web, print and interactive.

### Senior Designer at Pulse

Information architecture – created graphics and design templates for Acura Club members site re-design.

### Senior Designer at Pulse

Worked closely with clients to come up with ideal concepts for their company/organization. Led a team to see successful completion of hundreds of projects.
